ALUMNI FEEDBACK ANALYSIS REGARDING ACADEMIC & AMBIANCE: 2021-22

Action Taken Report:

The feedback thus received is analysed by the committee and shared with the principal, IQAC and the faculty for discussion. After analysis the committee has recommended some corrective measures and according to the recommendation following corrective actions has been taken:

- Create a database of alumni to improve networking among the alumni and to enable better contribution to their alمامater Networking with alumni will be resourceful and will guide the students
- Should include e-commerce, e-transactions and e-marketing for students' transactions. This will not only enhance the computing skills of students but also lead to better accountability and awareness among parents.
- Initiatives taken to improve Library facilities to enthuse students to the requirements of the working environment Expressed a need for mentoring in curricular, co-curricular and personal aspects of students during their study period to improve their performance in identifying potential jobs and higher education prospects interested in initiating scholarships/endowments to support their alمامater.
- More number of field visits has been included in curriculum to provide practical exposure to the students.
- Evidence based practical demonstration and case studies are made compulsory in every subject.
- More GD, pre-placement and mock interviews classes are included in the regular classes to improve the student's presentation and interpersonal skills and make them industry ready.

ALUMNI FEEDBACK ANALYSIS REGARDING ACADEMIC & AMBIANCE: 2020-21

Action Taken Report:

The feedback thus received is analysed by the committee and shared with the principal, IQAC and the faculty for discussion. After analysis the committee has recommended some corrective measures and according to the recommendation following corrective actions has been taken:

- Create a database of alumni to improve networking among the alumni and to enable better contribution to their alma mater. Networking with alumni will be resourceful and will guide the students.
- Should include e-commerce, e-transactions and e-marketing for students' transactions. This will not only enhance the computing skills of students but also lead to better accountability and awareness among parents.
- Initiatives taken to improve Library facilities to enthuse students to the requirements of the working environment. Expressed a need for mentoring in curricular, co-curricular and personal aspects of students during their study period to improve their performance in identifying potential jobs and higher education prospects interested in initiating scholarships/endowments to support their alma mater.
- More number of field visits has been included in curriculum to provide practical exposure to the students.
- Evidence based practical demonstration and case studies are made compulsory in every subject.
- More GD, pre-placement and mock interviews classes are included in the regular classes to improve the student's presentation and interpersonal skills and make them industry ready.

STUDENT FEEDBACK ANALYSIS REGARDING ACADEMIC: 2019-20

Action Taken Report:

The feedback thus received is analysed by the committee and shared with the principal, IQAC and the faculty for discussion. After analysis the committee has recommended some corrective measures and according to the recommendation following corrective actions has been taken:

1. After every corporate talk the practical learning gained by the students is accessed to measure their development.
2. Training for how to effectively prepare for personal interview and group discussions during recruitment was suggested. Activities were arranged by the placement cell to enhance the communication skill and soft skill.
3. Pre-placement trainings such as mock interviews and tests were conducted. The students were given guidance to prepare for bank exams, service commission exams and adequate training was provided for the same. The students were counselled for pursuing higher study. In house training program were given for the students from reserved category and economically weaker section. A special recruitment drive is organized for such trained students.
4. Nearly 5 speakers and more than 20 experts were invited to share their knowledge to our faculty and students. These helped them to interact with the resource persons and were motivated to do higher studies and take up jobs which has challenging future ahead.
5. Promoters from different start up organisations invited to share their experiences.
6. Few more alumni working in different renowned corporate visited to the campus and deliver their talks.
7. In house faculty development program on research methodology is organised to enhance the learning exposer of the faculty members, which could ultimately improve the student knowledge base.
8. Faculty members are motivated and encouraged to attend few more online and offline faculty development programs.
9. One industrial visit planned in the semester to provide practical exposer to the students.

ALUMNI FEEDBACK ANALYSIS REGARDING ACADEMIC & AMBIANCE: 2019-20

Action Taken Report:

The feedback thus received is analysed by the committee and shared with the principal, IQAC and the faculty for discussion. After analysis the committee has recommended some corrective measures and according to the recommendation following corrective actions has been taken:

- Create a database of alumni to improve networking among the alumni and to enable better contribution to their alمامater Networking with alumni will be resourceful and will guide the students
- Should include e-commerce, e-transactions and e-marketing for students' transactions. This will not only enhance the computing skills of students but also lead to better accountability and awareness among parents.
- Initiatives taken to improve Library facilities to enthuse students to the requirements of the working environment Expressed a need for mentoring in curricular, co-curricular and personal aspects of students during their study period to improve their performance in identifying potential jobs and higher education prospects interested in initiating scholarships/endowments to support their alمامater.
- More number of field visits has been included in curriculum to provide practical exposure to the students.
- Evidence based practical demonstration and case studies are made compulsory in every subject.
- More GD, pre-placement and mock interviews classes are included in the regular classes to improve the student's presentation and interpersonal skills and make them industry ready.

STUDENT FEEDBACK ANALYSIS REGARDING ACADEMIC: 2018-19

Action Taken Report:

The feedback thus received is analysed by the committee and shared with the principal, IQAC and the faculty for discussion. After analysis the committee has recommended some corrective measures and according to the recommendation following corrective actions has been taken:

1. After every corporate talk the practical learning gained by the students is accessed to measure their development.
2. Training for how to effectively prepare for personal interview and group discussions during recruitment was suggested. Activities were arranged by the placement cell to enhance the communication skill and soft skill.
3. Pre-placement trainings such as mock interviews and tests were conducted. The students were given guidance to prepare for bank exams, service commission exams and adequate training was provided for the same. The students were counselled for pursuing higher study. In house training program were given for the students from reserved category and economically weaker section. A special recruitment drive is organized for such trained students.
4. Nearly 5 speakers and more than 20 experts were invited to share their knowledge to our faculty and students. These helped them to interact with the resource persons and were motivated to do higher studies and take up jobs which has challenging future ahead.
5. Promoters from different start up organisations invited to share their experiences.
6. Few more alumni working in different renowned corporate visited to the campus and deliver their talks.
7. In house faculty development program on research methodology is organised to enhance the learning exposer of the faculty members, which could ultimately improve the student knowledge base.
8. Faculty members are motivated and encouraged to attend few more online and offline faculty development programs.
9. One industrial visit planned in the semester to provide practical exposer to the students.

Action Taken Report:

The feedback thus received is analysed by the committee and shared with the principal, IQAC and the faculty for discussion. After analysis the committee has recommended some corrective measures and according to the recommendation following corrective actions has been taken:

- Create a database of alumni to improve networking among the alumni and to enable better contribution to their alma mater. Networking with alumni will be resourceful and will guide the students
- Should include e-commerce, e-transactions and e-marketing for students' transactions. This will not only enhance the computing skills of students but also lead to better accountability and awareness among parents.
- Initiatives taken to improve Library facilities to enthuse students to the requirements of the working environment. Expressed a need for mentoring in curricular, co-curricular and personal aspects of students during their study period to improve their performance in identifying potential jobs and higher education prospects interested in initiating scholarships/endowments to support their alma mater.
- More number of field visits has been included in curriculum to provide practical exposure to the students.
- Evidence based practical demonstration and case studies are made compulsory in every subject.
- More GD, pre-placement and mock interviews classes are included in the regular classes to improve the student's presentation and interpersonal skills and make them industry ready.

ALUMNI FEEDBACK ANALYSIS REGARDING ACADEMIC & AMBIANCE: 2017-18

Action Taken Report:

The feedback thus received is analysed by the committee and shared with the principal, IQAC and the faculty for discussion. After analysis the committee has recommended some corrective measures and according to the recommendation following corrective actions has been taken:

- Create a database of alumni to improve networking among the alumni and to enable better contribution to their almatamater. Networking with alumni will be resourceful and will guide the students
- Should include e-commerce, e-transactions and e-marketing for students' transactions. This will not only enhance the computing skills of students but also lead to better accountability and awareness among parents.
- Initiatives taken to improve Library facilities to enthuse students to the requirements of the working environment Expressed a need for mentoring in curricular, co-curricular and personal aspects of students during their study period to improve their performance in identifying potential jobs and higher education prospects interested in initiating scholarships/endowments to support their almatamater.
- More number of field visits has been included in curriculum to provide practical exposure to the students.
- Evidence based practical demonstration and case studies are made compulsory in every subject.
- More GD, pre-placement and mock interviews classes are included in the regular classes to improve the student's presentation and interpersonal skills and make them industry ready.
