Programme Report

Global Institute of Management conducted a Cleanliness Drive in the Pandara Village in Bhubaneswar on 12 December, 2022. 34 students accompanied by 4 faculty members formed the team for the drive. Pandara Village grew popular after the establishment of Hi-Tech Medical College and Hospital. This village is inhabited by large number of population. It turns out to be a crowded place. The volunteering teams first targeted to clean the roads followed by water bodies. It took around 1.5 hours for making the roads assume a cleaner look and then the wells and ponds of the village were targeted for the cleanliness drive. Kudos to the local people there, who voluntarily joined hands with the team for cleaning the water bodies and the peripheries as well. After completion of the arduous task, the team had its refreshment and the local people offered sweets to the students looking at their determination to work. Certificates of participation were disbursed among the volunteers and this marked the dispersal of the campaign.

Blood Donation Camp
Organised by Global Institute of Management
Dated: 09.04.2022
Report

On 09.04.2022, Global Institute of Management, Bhubaneswar organised a blood donation camp in its campus in Collaboration with Commissionarate Police. The SP of the area was invited as the chief guest of this blood donation camp. The camp took place in the premises of the institution. The function started around 10.30 o'clock in the morning. The event continued till 2 pm. Some cultural events were also organised by the students of the institution. Around 34 students actively took part in this event. Some faculties and staff of the institution participated in the blood donation camp and received certificates of participation. Two doctors from the nearby government hospital had come to oversee the blood donation and collect the blood. Refreshments like bread, fruits, boiled eggs and juices were given to students, faculties and staff who had come to donate blood. At the end of the event, the Dean (Academics) of the institution thanked everyone for their help and presence. Students, faculties and staff who had participated in this blood donation camp were given certificates and a small gift hamper.

Report

Global Institute of Management conducted an Eco-friendly campaign in the locality of Bishnupur village, located in the outskirts of Bhubaneswar city on 2 March, 2022. A total of 31 students alongwith 3 faculty members formed the key volunteering team. The village is moderately populated. But the village pathetically suffers in terms of sanitary conditions of roads and drainage system. First of all, the volunteering team cleared the roadsides characterized with heaps of garbage. Then disinfectants were sprayed upon the open drains which often serve as the breeding grounds for pathogens. Few villagers came forward to observe the cleanliness campaign. It was a felt that a massive awareness campaign had to be initiate din this village where the dwellers are least sensitive to environmental issues. The team also noticed that the premises of the temple inside the village also needed to be cleaned. With proper permission from the temple management the team put its humungous efforts to make the temple surrounding look clean and sanctified. After successful completion of the campaign, the team devoured upon the lunch packets followed by a small recreational event. Through this campaign, students not only learned about sole responsibility taking but also the importance of exploring the untapped problems.

Report
Awareness Programme on
“Preventing Sexual Harassment at Workplace”
Date: 8th March 2022

Sexual harassment relates to demand or request for sexual favours, showing pornography, any other unwelcome physical, verbal or non-verbal conduct of a sexual nature. Sexual harassment is a common problem affecting all women in this world irrespective of the profession that they are in. There is a dire need to curb this serious issue. In this connection, Global Institute of Management organized an awareness programme on “Preventing Sexual Harassment at Workplace” on 8th March 2022. The programme had Mrs. Gomati Chakraborty, Social activist and founder, Prajakta Foundation for Women upliftment. She, being a voracious speaker disseminated her deliverables in terms of POSH Act. She pointed that sexual harassment includes unnecessary physical contact, including unwanted touching, etc. using language that puts someone down and/or comments toward women or men, in some cases, sex-specific derogatory names, leering or inappropriate staring, rape or sexual assault. Further, she stated that the most common type of sexual harassment is hostile work environment discrimination that occurs when a co-worker's or supervisor's behavior creates a hostile, intimidating, or offensive environment at work. She also briefed regarding the legal consequences of such acts and discussed the mechanisms of preventing sexual harassment at workplace. A total of 36 students attended the programme alongwith the college faculties. This programme enabled the students to remain aware of any such acts and raise their voices to curb this offence.

Rally Against Child Labour
Organised by Global Institute of Management
Date: 12.06.2022

On June 12, 2022, Global Institute of Management, Bhubaneswar organised an anti-child labour rally to create awareness towards the social evils of Child Labour. The rally was conducted from Puri Canal Road to Hotel Sungreen Square involving a total of 31 students, faculties and staff of the institution. The rally started around 10 o'clock in the morning and students marched ahead carrying posters and placards with strong awareness slogans like "Don't Ask Children to Take Tool, Instead Send Them to School". Some students also presented odes on the theme of Child Labour. Refreshments and juices were given to students, faculties and staff. The Dean (Administration) of the institution flagged off the rally from the route after administering pledge to the participants and audience to eliminate child labour. The Dean (Academics) of the institution distributed away prizes to the best poster presentation and participation certificates were given to students. The institution had also arranged for snacks and fruit juice packets for all participants. The Dean thanked and appreciated everyone for smoothly conducting the rally.

Report

Global Institute of Management conducted a Swachhata Abhiyaan in the premises of Saraswati Sishu Bidya Mandir, Balipatana in collaboration with SBI, Rasulgarh on 29 December 2021. The volunteering team comprised of 38 students and 2 faculty members. The school surrounding was covered with leaf debris, biscuit wrappers, cake wrappers, paper litter which warranted immediate action as the beautification aspect of the school was getting hampered. The volunteering team was divided into two groups. One group was assigned the task of clearing the leaf debris and another was allotted with the task of clearing the wrappers, litter and the like. With a continuous effort of nearly 2 hours the team managed to clean the school campus. The Headmistress of the School offered snacks and tea to the volunteers and allowed the team to deliver the school students about the importance of maintaining a healthy surrounding. Even interested school children came forward and promised that they would maintain the serenity and scenic beauty of their school campus. The drive got over and the team learnt the importance of doing and letting others learn and do.

Rally on Knowledge and Awareness of HIV/AIDS

Global Institute of Management, Bhubaneswar

in collaboration with NSS Unity, Bhubaneswar

On December 1, 2021, Global Institute of Management, Bhubaneswar took out a rally to create awareness among the public on the fighting the HIV and AIDS marking the World AIDS Day. The rally started at 04.30 pm in the Afternoon. Around 37 students along with faculties and staff of the institution actively took part in this rally and carried placards with strong awareness slogans like "STAY INFORMED, STAY SAFE FROM AIDS". The rally covered the stretch from the Puri Canal Road to Attala. The participants carried posters and a large red ribbon during the rally. Dean(Administration) said that Avoid the scare...be aware and delivered that life is precious and knowledge can preserve the life. The institution had also arranged for snacks and fruit juice packets for all participants. The Dean thanked and appreciated everyone for smoothly conducting the rally and participation certificates were given to the students.

**Report on Blood Donation Camp
Organised by Global Institute of Management
In association with NSS Unit, Bhubaneswar
“Donate Blood Save Life”**

On 11.9.2021 a blood donation camp was organized at Global Institute of Management, Bhubaneswar in association with NSS Unit, Bhubaneswar. The camp was organised by the faculty and students to help the patients. The camp took place in the premises of the institution. The function started around 10 o'clock in the morning, with the Dean(Academics) donating blood. 30 students of the institution participated in the program. Apart from students, faculties and staff also participated in this. The blood collected from this camp was to be given to a nearby Government Hospital. The institution had arranged for refreshments for those who donated blood in the camp. Students, faculties and staff who had participated in this blood donation camp were given certificates and a small gift hamper. To watch over the entire process and to collect the blood, a team of two doctors were put in charge. The institution had also arranged for a resting room for anyone who felt dizzy or sick after donating blood. After the completion of the blood donation, the Principal thanked and appreciated everyone present in the camp. The day ended a heartfelt vote of thanks from the Principal of the school.

Report

Global Institute of Management conducted a Cleanliness campaign on 08 August 2021 at Garedipanchana Village, Bhubaneswar. A team of 35 students under the supervision of 3 faculty members formed the volunteering team for the drive. The target set for cleanliness drive were the veterinary hospital of the village and block office premises. Both the places looked filthy. The veterinary hospital was first targeted and the team started seamlessly working for upgrading the conditions of cleanliness over there. The hospital premise was occupied with undesirable waste materials which were cleaned up and disposed. Further, the block office of the village was chosen. The external premise of the block office was looking untidy as litter particles surrounded the same. The nearby paan shops and tea shops' wastes were found in the premises of the block office. The volunteering team took pain in cleaning the entire surrounding and also asked the people there to look after the sanitary conditions of the place which is an apex body for the village. The drainage system near the block office was also very poor. The team somehow managed to put some potash and bleaching powder to the same but the condition of drain was a bit complex. The team contributed a lot for this drive and thus special certificates of appreciation were distributed among team members and the drive was successfully over. Students learnt to take challenging tasks with determination and team-spiritedness.

Webinar on
“Ensuring Student Engagement in Online Class”
Organized by
Global Institute of Management
Date: 30.05.2021
Webinar Report

Global Institute of Management organized a webinar on 30.5.2021 on “Ensuring Student Engagement in Online Class”. The keynote speaker for the webinar was Dr. Sajeet Pradhan from IIM, Tiruchirapalli and the programme was moderated by Prof.(Dr.) Munmun Mohanty, Dean, Global Institute of Management. Faculty members of the institution as well as other management institutions participated in the webinar. The speaker delivered that one of the excellent ways to ensure student engagement in online learning is using multiple formats to make virtual classes more interesting for learners. Since there are various ways to establish communication with students, these formats, such as discussion forums and course email, can be instrumental in making students interested in the lessons. The session was an enriching one that endowed essential takeaways for the participants. The webinar concluded with a vote of thanks by the moderator.

Report

Awareness Programme on “Gender Sensitivity and use of gender fair language” Date: 8th March 2021

Gender sensitization promotes equality for men and women by allowing men and women to view what is stereotypical of and reasonable for their gender. In this perspective Global Institute of Management conducted an awareness programme on Gender Sensitivity and use of gender fair language on 08.03.2021. The session was led by Dr. Abhyudaya Guru, Clinical Psychologist. He emphasized on the overreaching goal of organizing gender sensitivity training to raise awareness among decision-makers on gender dynamics, the importance to consider the specific needs of women and girls, also the key role that women can play in decision-making processes. Eventually, he stated the necessity of using gender fair language for reducing gender bias in one's mental representation, or mental understanding of an idea. He strongly put forth that gender sensitivity has to be practiced in workplace to avoid discrimination by understanding and accepting the multiple differences between men and women and foster respect and compassion for others regardless of these differences. Around 37 students and faculty members of the institute attended the programme. The students, through this programme, learnt the significance of gender sensitivity issues and use of fair language as important tools for a convincing and better workplace.

“Dealing with stress in the time of Corona Pandemic”
Date: 23.05.2020
Report

Global Institute of Management organized a webinar on 23.5.2020 on “Dealing with stress in the time of Corona Pandemic”. The keynote speaker for the webinar was Prof.(Dr.) Amrit Pattojoshi, Neuro-Psychiatrist and Wellness Consultant, AMRI and the programme was moderated by Prof.(Dr.) Munmun Mohanty, Dean, Global Institute of Management. Faculty members of the institution as well as other management institutions participated in the webinar. The speaker presented the different techniques for handling stress during Corona Pandemic. He highlighted on maintaining day-to-day activities and a routine as much as possible. He posit that having a healthy routine can have a positive impact on thoughts and feelings. He emphasized on eating healthy meals, physical exercise (e.g., walking, stretching, running, cycling), getting enough sleep, and doing recreational things. The session ended up with a vote of thanks by the moderator.

Webinar Report

Global Institute of Management organized a webinar on 12.5.2020 on "How to publish in High Impact Factor Journal". The keynote speakers were Prof.(Dr.)PURVA Hedge Desai from Goa University and Prof.(Dr.)Uma Shankar Mishra from Central University,Rajasthan and the programme was moderated by Prof.(Dr.)Munmun Mohanty, Dean, Global Institute of Management. Faculty members of the institution as well as other management institutions participated in the webinar. The speakers discussed the importance of research and explained that the process of publishing a manuscript in a high-impact journal starts with choosing an important question, designing a sound study with statistical power, performing the work with impeccable integrity and attention to detail, writing an excellent manuscript, submitting it to the right journal and the like. The session was a noteworthy one enabling participants to understand the techniques to publish in High Impact Factor Journal which is very crucial in the current academic scenario. The session ended up with a vote of thanks by the moderator.

Report on World AIDS Day Celebration on 01.12.2019

On December 1, 2019, Global Institute of Management, Bhubaneswar heralded a rally for creating awareness among the public towards AIDS on the occasion of World AIDS Day. Around 36 students along with faculties and staff of the institution participated in this rally and carried posters and placards with hard-hitting messages like "Open your eyes before AIDS closes it". The rally route was from Puri Canal Road to Pahala Road. The participants carried a large red ribbon during the rally. Dean(Academics) said that 'Prevention is better than cure; especially when something has no cure'. The best slogans were offered prizes by the Dean. The institution had also arranged for snacks and fruit juice packets for all participants.

The Dean thanked and appreciated everyone for smoothly conducting the rally and participation certificates were given to the students.

Report **Swachha Bharat Abhiyan**

It is widely witnessed that rural areas often become favourable hotspots for several air-borne and water borne diseases. Global Institute of Management and NSS conducted a green initiative on 25 November 2019 in the locality of Deoliapatna village in outskirts of Bhubaneswar. The institution team with a 32 students and 5 faculty members actively participated in the drive. The activities undertaken were cleaning the roads and water sources like wells and tube wells to maintain the hygiene conditions of the dwellers. The brooms, garbage bags, bleaching powder, surface cleansers and disinfectants were the primary treatment tools being used for the purpose. The drive consisted of two hours. Simultaneously, there was a door to door campaigning by the students to generate awareness among the villagers towards maintaining proper sanitary conditions in village for better health and security and especially they were alerted towards managing water logging issues. The village people were impressed with the dedicated efforts of the student groups and offered eatables as a token of appreciation. They also committed that they would try for a weekly cleanliness drive for the sake of community welfare. They were also urged to take proper care of common bath places and proper waste management. The small children of the village were somehow motivated towards the cleanliness drive. The Head of the Village offered special thanks to the Institution and its students for conducting such a generous drive with a cause. The students learnt the experience of dealing with typical village people with lesser awareness levels and the art of contributing towards rural development.

Report
Awareness Programme on
“Gender Equality in Corporate”
Date: 12th November 2019

Gender inequality in the workplace takes many forms — unequal pay, disparity in promotions, incidents of sexual harassment, and racism. Often, it presents itself in more nuanced ways, like fewer opportunities for women who are mothers and a higher incidence of burnout in women. In this context, Global Institute of Management conducted an awareness programme on Gender Equality in Corporate on 12.11.2019. The speaker for the programme was Mr. Arnab Karmakar, CEO, Fibro textiles Pvt Ltd. He stated that corporate gender equality will be achieved when people are able to access and enjoy equal rewards, resources and opportunities regardless of gender. It will require the corporate houses to provide equal pay for work of equal or comparable value and removal of barriers to the full and equal participation of women in the workforce. He hammered on the points that the contemporary time demands for zero tolerance for sexual harassment and gender-based bias and equal pay for equal work. The session was a vibrant one with jaw dropping presentation by the speaker who well enunciated the importance and implications of a gender-equal society. Around 31 students and all faculty members attended the session. The students were greatly motivated and benefitted and put their questions toward the speaker. This session helped them to gain a practical understanding of corporate dynamics and how effective strategies can be formulated to ensure equal opportunities to women.

Report on Swachha Bharat Mission

A Cleaner society is a placid abode for all. With a view to strengthen this doctrine, Global Institute of Management(GIM) organized a Cleanliness Drive in the campus of Unit-9 Boys' High School, Bhubaneswa in collaboration with NSS. Students are the future citizens of the nation. School children spend a sizeable chunk of their time at schools. This fact necessitates the importance of maintaining a healthy atmosphere in school. In this connection, around 35 students and 4 staff members of Global Institute of Management joined their heads and hands together to clean up the outer premises of Unit-9 Boys High School as on 10 September 2019 around 9 am. The School authority extended warm support for the cause and even the school students came forward to help the volunteering team. The garbage heaps were cleared and disposed off into dust bins. Further, the playground was made to look attractive after removing the rubbish scattered randomly. The rigorous and non-stop efforts of the entire team of GIM made the campaign successful within a 1.5 hours' time span. Participation certificates, snacks, juice were distributed amongst the students followed by a photo session and vote of thanks by faculty members. Students learnt about being socially accountable citizens and working collectively for community betterment.

Blood Donation Camp Report

Dated: 16.08.2019

On 15.8.2019 a blood donation camp was organized at Global Institute of Management, Bhubaneswar in collaboration with Commissionerate Police Bhubaneswar and Cuttack. It was held in the institution's premises. All the preparations such as arrangement of beds, sanitation etc were made. A team of doctors and nurses from the local Govt. hospital had reached in time. A total of 28 students and the faculties and staff of the institution participated in the camp. The event started at 9.30 am and continued till 2 pm. The donors were offered glucose, fruits and milk. The Dean (Academics) delivered the speech extolling those who had donated their blood. She told the audience that the donated blood would be used for saving the lives of the injured and the sick. One of the doctors also addressed the audience saying that the blood donation does not weaken the donors. The recovery takes place very soon. He talked about facts/ myths/ Blood Groups related information. The Dean also handed over the Certificates to the blood donors. It was followed by a Cultural Programme. The students of the institution presented the cultural items. Everybody enjoyed that. Students also decided to donate blood in future also.

Mass Rally on the Occasion of World Day Against Child Labour

Organised by Global Institute of Management
in collaboration with NSS Unit, Bhubaneswar

On June 12, 2019, Global Institute of Management, Bhubaneswar organised an awareness stimulating rally on the eve of World Child Labour Day. The rally was organized from Puri Canal Road to Attala . The rally started around 10 o'clock in the morning. Around 33 students actively took part in this rally and carried placards with strong awareness slogans like "Children are our future, Let's be their Savior".The faculties and staff of the institution also participated in the same. Some students also recited poems on the theme of Child Labour. Refreshments and juices were given to students, faculties and staff. At the end of the event, the Dean (Administration) offered certificates of participation to the participants and flagged off the rally thanking everyone for their active participation in making the rally a great success.

Report

'Cleanliness is Godliness'. In the light of this statement and in compliance with the Clean India drive, Global Institute of Management took the noble and eco-conscious initiative to promote cleanliness in Bhubaneswar city. Summing up the environment friendly approach with religious orientation, the campaign was organized on 12 January 2019 in the premises of Jambeswar Mandir, Old Town, Bhubaneswar. Bhubaneswar is called the Temple City and tourists as well as local people visit the temples frequently to fulfil their devotional needs. So, the temple environment needs to be clean, green and serene. To ensure the same, the students and staff of the institution came forward to restore the environmental beauty around the temple. Around 40 students and 5 faculties and staff of institution participated in this campaign. The team carried all the necessary cleaning instruments, large bins and the like for the aforementioned purpose. The entire team took around 2 hours time, from morning 11 am to 1 pm in afternoon to clean the entire environment. The tasks primarily comprised of collection and bin disposing of litter particles spread in different points of temple premises and weeding out of unwanted plants and herbs that were blurring the scenic beauty of the temple. The collaborative efforts of all members rendered the temple premises carry a clean and fresh appearance. Students demonstrated humungous energy, efforts and team performance to make the campaign an effective one. All the participants were offered Eco-Ally Certificates and refreshment packs. Interested members delivered their views on the Cleanliness drive followed by Slogan raising. The campaign winded up with a small cultural programme and vote of thanks by the Dean of the Institution. The campaign had wider implications for students who learnt a lot regarding going green and preserving the environment for posterity.

Report

Global Institute of Management conducted a Cleanliness Drive in the premises of the B.B.C School for the Deaf in Collaboration with NSS, Bhubaneswar on 15 December 2018. The drive had its two pronged causes. First, the cause being a social one to deliver certain services to the differently abled children. Second, being a green practitioner. The key functions of the drive were cleaning the school campus and playground. 40 students volunteered for this drive under the active supervision of 4 faculty members. The campus was cleaned and garbage scattered, here and there were moved to dust bins. The school authority appreciated this initiative of the institution and asked the school staff for cooperation and services in terms of providing water and cleaning materials. The school children too got excited to participate in this drive and came forward to work diligently. The school had a massive playground and the volunteers exhibited paramount patience in making the playground dust and litter free. The School Headmaster congratulated and applauded the team for performing genuinely towards an eco-conscious objective. The students of the school performed small dance moves for entertaining the volunteers. Refreshment packets and fruit juices were distributed to all. Greenizen certificates were issued to student volunteers and they were encouraged to strive with the same temper and spirit in future times also. This campaign enabled the students to be a part of social development through collaborative functioning and grow philanthropic for a social cause.

Report on HIV/AIDS Awareness Campaign at Global Institute of Management, Bhubaneswar through NSS, Unity Bhubaneswar.

On December 1, 2018, Global Institute of Management, Bhubaneswar took out a rally to create awareness among the public on the fighting the HIV and AIDS marking the World AIDS Day. The rally started at Puri Canal Road, Bhubaneswar on 04.00 PM in the Afternoon. Around 33 students along with faculties and staff of the institution actively took part in this rally and carried placards with strong awareness slogans like "KNOW AIDS FOR NO AIDS". The rally covered the stretch from the Puri Canal Road to Baliantha Road. The participants carried a large red ribbon during the rally. Dean(Academics) said that overcoming AIDS was possible through awareness and called upon the youth to participate in the campaign and leading a disciplined life can go a long way in prevention of AIDS. The institution had also arranged for snacks and fruit juice packets for all participants. The Dean thanked and appreciated everyone for smoothly conducting the rally and participation certificates were given to the students.

Report

Global Institute of Management conducted a Clean City Abhiyan in the nearby Atala village, Bhubaneswar on 16 August 2018. About 48 students and 6 institution staff participated in the campaign. The tasks primarily composed of cleaning the clogged water bodies where villagers are seen to catch fishes. The water bodies were more like sewage outlet chambers and threw irresistible smells. The institution team, although it was a tiring job, stood focused on making the water bodies free from germs, smells and waste. Village people usually had chosen these water bodies to dump their household wastages. These led to clogging. With the help of Dranex, potash alum and bleaching powder the water bodies were cleaned and the clogging particles were manually removed. The drive was of nearly 2 hours. Although few villagers offered help but many villagers looked skeptical towards the drive. The villagers were advised to maintain hygiene conditions of the water bodies to prevent several water borne diseases. Students were offered free sanitizers and refreshment packets. Few students were allowed to perform enactments on the theme of Water Sources' Cleanliness. The programme ended with a vote of thanks by one of the institution faculty. Through this campaign, students learnt to act among odd circumstances and persistently have a clear surveillance on the misuse of water resources in the environment.

Rally Against Child Labour
Organised by Global Institute of Management
Date: 12.06.2018

On June 12, 2018, Global Institute of Management, Bhubaneswar organised an anti-child labour rally to commemorate the Child Labour Day. The Mayor of the region was invited as the chief guest of this rally who appreciated the effort of the institution towards such social cause based rally. The rally was organized from Puri Canal Road to Panchamukhi Vihar. The rally started around 10.30 o'clock in the morning. Around 35 students actively took part in this rally and displayed placards with awareness messages like "Stop Child Labour, Protect Our Children". The faculties and staff of the institution also participated in the same. Refreshments like fruits, boiled eggs and juices were given to students, faculties and staff. At the end of the event, the Dean (Administration) of the institution thanked everyone for their help and presence.

Report on Blood Donation Camp Organised by Global Institute of Management In association with NSS Unit, Bhubaneswar

On 5.5.2018, Global Institute of Management, Bhubaneswar organised a blood donation camp in its campus in association with NSS Unit, Bhubaneswar. The Mayor of the region was invited as the chief guest of this blood donation camp. The camp took place in the premises of the institution. The function started around 10 o'clock in the morning. Some cultural events were also organised by the students of the institution. Around 38 students actively took part in this event. Some faculties and staff of the institution participated in the blood donation camp and received certificates of participation. Two doctors from the nearby government hospital had come to oversee the blood donation and collect the blood. Refreshments like fruits, boiled eggs and juices were given to students, faculties and staff who had come to donate blood. At the end of the event, the Dean (Administration) of the institution thanked everyone for their help and presence.

Report
Awareness Programme on
“Achieving balance participation of women and men in
Corporate decision-making”

Date: 08th March 2018

Corporate decision-makers are the professionals who make choices among multiple alternatives to achieve the organization's goal and solve issues. They gather information, evaluate evidence, and take action after identifying the best option for their situation. Gender balance refers to a situation where both males and females have equal opportunities and access to matters in all the institutions of the society, namely, religion, economy, education, culture, and polity. Balanced participation of women and men in corporate decision-making is a key indicator of gender equality and women's full enjoyment of their human rights, a condition for equality, social justice and cohesion. Keeping in view this doctrine, Global Institute of Management organized an awareness programme on Achieving balance participation of women and men in Corporate decision-making on 8th March 2018. The programme was led by Dr. Sulochana Giri, MD, Agrim Infratech Pvt Ltd. The speaker presented that improving gender balance in leadership and decision-making is a key objective for gender equality plans. She also explained the types of barriers exist while women are represented in decision-making and leadership positions, including structural, institutional and individual barriers. She focused the importance of a gender equal society and presented the success stories of leading women corporates. 42 students and all the college faculties were the part of the programme. The students were also encouraged to offer their views towards the topic. Through this programme, students learnt the importance of creating a gender-equal society and women have the power and potential to lead the corporates and facilitate the decision-making process.

Report

Global Institute of Management conducted a Swacchata or Cleanliness drive near Unit-1 market, Bhubaneswar in collaboration with NSS, Bhubaneswar, Bhubaneswar on 10 February 2018. This place is a crowded place characterized by multitude of vendors and customers. The visitors pay least importance towards environmental neatness. So, the locality looks imbalanced with heaps of rubbish, improper dumping and the like. The team of 4 faculties and staff and 39 students took part in the drive and put their efforts to clean the locality. The key tasks encapsulated clearing the roads and roadside dumping places emitting foul smells. This campaign took more than 2 hours. Few passers-by appreciated the team efforts and also offered health drinks to volunteers. The vendors also stated their satisfaction towards the fresh looking environment. They were also asked to monitor the neatness of the peripheral environment and also contribute equitably for a clean green environment. They were advised to keep personal dustbins to dispose garbage and promote the usage of biodegradable bags for selling off items there. This campaign was a bit painstaking but students of the institution ruled the roost and made the campaign a successful one. Through this campaign the students realized the importance of going green and maintain a clean environment to extract pure oxygen.

Report on AIDS Awareness Rally in Collaboration with NSS
Unity, Bhubaneswar

On December 1, 2017, Global Institute of Management, Bhubaneswar took out a rally to create awareness among the public on fighting HIV and AIDS marking the World AIDS Day. The rally started at 10.30 am in the morning. Around 37 students along with faculties and staff of the institution actively took part in this rally and carried placards with strong awareness slogans like "STAY INFORMED, STAY SAFE FROM AIDS". The rally covered the stretch from the Puri Canal Road to Attala. The participants carried posters and a large red ribbon during the rally. Dean(Administration) said that Avoid the scare...be aware and delivered that life is precious and knowledge can preserve the life. The institution had also arranged for snacks and fruit juice packets for all participants. The Dean thanked and appreciated everyone for smoothly conducting the rally and participation certificates were given to the students.

Report

Global Institute of Management conducted a Cleanliness campaign in association with Commissionerate Police, Bhubaneswar on 15 October 2017 in the campus of Unit-1 Boys High School, Bhubaneswar. Around 30 students and 3 faculty members participated in the campaign. The backyard of the school was covered with unhealthy grasses and waste materials thrown by students through classroom windows. Further, used plastic bottles, wrappers, used packets, polythene bags etc added to the unhygienic scene of the environment. After putting a tremendous non-stop effort of nearly 2 hours the volunteering team cleared the entire backyard. The school students also helped the team in carrying the bins and disposal bags. The Principal of the School arranged for a small awareness building programme by the team towards the school goers. The team also notices that the school playground looked dustier with the sediment sand layers. With the permission of the Principal, the playground was fully cleaned and unwanted grasses got removed, The school children clapped as a token of acknowledgment for the Clean Mission Team. The drive was over with distribution of lunch packets and certificates. The students of the institution learned the importance of training through self-working and identifying the problem grounds for solution.

Report

Global Institute of Management conducted a Cleanliness campaign in association with NSS, Bhubaneswar on 09 September 2017 in Saripur Village, Bhubaneswar. A team of 34 students and 3 faculty members were constituted to undertake the drive. The village corridors were witnessed with unhealthy surrounding conditions. Improper waste management, villagers spitting here and there and the conditions of the nearby pond which was the common bathing and washing place for villagers added to the gloomy story of non-cleanliness. First of all, the waste materials accumulated on the sides of houses were cleared. Water cleanser mix aerosol was dripped over the walls where paan gutkha stains were present and with the help of few village boys. The village pond was looking dirty and colour of water had turned grey. The team put bleaching powder and surface disinfectants to clear the stains and mucilaginous weeds which were deteriorating the quality of water and rendering it unfit for use. This drive managed to offer a somehow look good environment to the villagers. The participants were offered snacks and certificates of participation. The drive concluded with a vote of Thanks by the faculty members.

Rally Against Child Labour
Organised by Global Institute of Management
Date: 12.06.2017

On June 12, 2017, Global Institute of Management, Bhubaneswar, organised a rally for inculcating awareness towards child labour and need to prohibit the same on the occasion of World Day against Child labour . About 30 students along with faculty and staff of the institution marched in the rally. It was conducted from Puri Canal road to Phulnakhara. Students carried placards with strong awareness slogans like “Do this favour, Stop Child Labour”. The rally started around 10 o'clock in the morning and continued till 11 am. The Dean (Administration) of the institution flagged off the rally from the route after administering pledge to the participants and audience to eliminate child labour. The Dean (Academics) of the institution distributed away prizes to the best slogan writers and participation certificates were given to students. The institution had also arranged for refreshment and fruit juice packets for all participants. The Principal thanked and appreciated everyone for conducting the rally in a disciplined and smooth manner.

Blood Donation Camp
Organised by Global Institute of Management
Dated: 15.04.2017

Report

On 15.04.2017, Global Institute of Management, Bhubaneswar, organised a blood donation camp in association with Hightech Medical Blood Bank. The camp was organised by the faculty and students to help the Thalassemia patients. The camp took place in the premises of the institution. The function started around 9 o'clock in the morning, with the Dean(Administration) donating blood. 32 students of the institution participated in the program. Apart from students, faculties and staff also participated in this. The blood collected from this camp was to be given to a nearby Government Hospital. The institution had arranged for refreshments for those who donated blood in the camp. Students, faculties and staff who had participated in this blood donation camp were given certificates and a small gift hamper. To watch over the entire process and to collect the blood, a team of two doctors were put in charge. The institution had also arranged for a resting room for anyone who felt dizzy or sick after donating blood. After the completion of the blood donation, the Principal thanked and appreciated everyone present in the camp. The day ended a heartfelt vote of thanks from the Principal of the school.

Report
Awareness Programme on
“Combatting Gender Stereotypes and Sexism”
Date: 8th March 2017

A gender stereotype is a generalised view or preconception about attributes, or characteristics that are or ought to be possessed by women and men or the roles that are or should be performed by men and women. Sexism means prejudice, stereotyping, or discrimination, typically against women, on the basis of sex. In the contemporary times, an increased awareness is needed among students regarding gender equality and checking women discrimination and exploitation. With this broad objective, Global Institute of Management organized an awareness programme on “Combatting Gender Stereotypes and Sexism” on 8th March 2017. The event was graced by Mrs. Pallishree Mohapatra, eminent social worker and women entrepreneur. She addressed the key issues related to gender based stereotypes, how to come up with solutions to combat the same and the myriad aspects of sexism with causes and solutions. She discussed on how to help individual women succeed, practice, gender equality with family members and children, encourage financial inclusion, support women-owned businesses, shop from companies and businesses that promote gender equality, promote gender equality at home. She also posit that to avoid sexism there is an increased need to promote gender equality and media literacy training and the production of training materials and encourage all relevant actors such as public institutions, political parties, civil society, sport and cultural organizations to adopt and implement codes of conduct that address sexism. Around 34 students attended the session. The entire fraternity of the college was present along with staff members. The students were given the opportunities to have an open interaction with the resource person. In overall, it was an enriching session and students got to aware regarding the gender dynamics and their implications towards the society.
