QUALITY STATEMENT

Quest to make Global Institute of Management a centre of excellence in management education

QUALITY POLICY

- Global Institute of Management is committed to quality education – the quality of academically demanding regimen for the cause of holistic growth of students.
- Global Institute of Management shall strive to impart management education to prepare future managers in such a manner so as to accomplish satisfaction of students, parents, employers and the society.
- Global Institute of Management shall strive for continual improvement in knowledge and skills delivery system.

1. VISION

To attain quality standards of excellence in our endeavours in teaching, research, consultancy, administrative practices and sustaining through periodic evaluation and targeted action plan.

2. MISSION

1. To develop a conscious, consistent and catalytic quality improvement system that encourages the pursuits of the faculty, staffs and students.
2. To promote innovative practices to continually improve the effectiveness of the teaching-learning experiences of the faculty and students.
3. To strive to realize the mottoes of the institute through the best possible implementation of the plans and policies of the Management, University and the Government, pertaining to knowledge production and dissemination.
4. To ensure a learner-centric environment equipped with the latest techniques and technologies of teaching, research and sharing knowledge.

CORE VALUES

- Commitment
- Quality service
- Collaboration and team work
- Trust and credibility

OBJECTIVES

1. To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
2. To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Functions of IQAC

1. Development and application of quality benchmarks
2. Parameters for various academic and administrative activities of the institution;
3. Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
4. Collection and analysis of feedback from all stakeholders on quality-related institutional processes
5. Dissemination of information on various quality parameters to all stakeholders
6. Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
7. Documentation of the various programmes/activities leading to quality improvement
8. Acting as a nodal agency of the institution for coordinating quality-related activities, including adoption and dissemination of best practices
9. Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality
10. Periodical conduct of Academic and Administrative Audit and its follow-up
11. Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

Strategies

IQAC shall evolve mechanisms and procedures for:

1. Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
2. Relevant and quality academic/ research programmes.
3. Equitable access to and affordability of academic programmes for various sections of society.
4. Optimization and integration of modern methods of teaching and learning;
5. The credibility of assessment and evaluation process.
6. Ensuring the adequacy, maintenance and proper allocation of support structure and services
7. Sharing of research findings and networking with other institutions in India and abroad.
